**You've been boo-ed!**

- Make 2 copies of this sheet
- Cut out the "we've been boo-ed" sign and place it on your door so others know you have been boo-ed
- Create 2 special treats
- Take the treats and the paper and boo 2 others in your neighborhood
- Be very sneaky, you don't want them to know who boo-ed them
- Don't wait too long to boo them

**Happy Halloween**
